About US

Master elevator trading company was established in 2022 in bahrain by a group of experienced professionals from elevator industry. Within a short span of time MASTER became a pioneer in lift service and maintenance in Bahrain.

Gaining from the professional experience of our founders spanning more than 20 years covering all aspects of elevator and escalator industry including installation, commissioning and maintenance of various brands of elevators and escalators, we were able to provide excellent service to our customers in the Kingdom of Bahrain.

Our Technical support staff features experienced and professional engineers with real world experience who know how to resolve the problems quickly and efficiently. We provide 24/7 service through out Bahrain.

Safety, Convenience and Quickness are three important priorities of our service system. We do not compromise on all the three points when it comes to elevator and escalator. We ensure that our client's operations are seamless at any point in time.
